

Acknowledgement

I would like to first and foremost thank the founder Vice Chancellor of UPES, **Dr. Parag Diwan** who encouraged, believed in me and gave an opportunity for taking up this research work. My Mother **Sugunavathi**, who is my best support and friend who always wished and blessed me to achieve new heights in my life. Specially would also like to mention my wife **Visala**, my daughters **Kaushalya** and **Aishwarya** who always encouraged me during my research.

I would like thank my Mentor **Dr. Subir Ranjan Das** who has been constantly inspiring and encouraging my work. Despite of his busy schedule, he had dedicated his valuable time for evaluating my thesis.

I would also thank the Chancellor **Dr. S.J. Chopra** and the Vice Chancellor **Dr. Shrihari H.** for their continuous support and encouragement

Special thanks to my department members **Prof. Abhijit Singh**, **Prof. Manish Yadav** and **Prof. Chandra Prakash Garg** who supported for data collection and literature review.

Dr. R. Jayaraj has been instrumental in supporting throughout the research in imparting concepts of time series analysis in econometrics. I shall be indebted for his patience and support in this journey.

I would like to also thank **Dr. Nikhil Kulshrestha** who has been a true friend in helping and guiding me in this academic journey. I would not forget the support given by **Dr. Tarun Dhingra**, **Dr. S.K. Pokhriyal**, **Dr. Prasoom Dwivedi**, **Dr. Anil Kumar**, **Prof. Mihir Das** and **Dr. Neeraj Anand** who are true colleagues with great spirits of encouragement.

My biggest strength has been my students Mr. Krishnendu dutta and Mr. Vishal Kashav from Drewry Consultants India, who have given access to critical data for my research. I would also like to thank Mr. Navin Chaudhary from Drewry Consultants for supporting with some critical data required for my research.
