

## **ACKNOWLEDGEMENT**

I would like to thank my supervisors Dr. Rajesh Yadav and Dr. Ugur Guven, Professors at University of Petroleum and Studies for their constant encouragement, support and help. It is very difficult to express their role in words, which have led me to complete this task.

I acknowledge Mr. Sudhir Joshi, Mr. Karthik Sundarraj and my colleagues in our department at UPES for their support and well wishes during this project.

I would thank my parents and friends for their everlasting love and well wishes. I dedicate my thesis to the supreme of universe that exists in me, on me and around me for his role as witnesser and energizer during my every activity.
